

How do I rename a budget?

1. Click the **Planning** tab.
2. Click the **Budgets** button.
3. If you have more than one budget, choose the budget you want to rename from the drop down menu at the top of the window.
4. Choose **Budget Actions > View options > Edit budget name**.
5. Type a new budget name.
6. Click **OK** to rename the budget.
