How do I view the credit payment history?

The Credit Transaction History dialog displays customer information about the selected credit transaction and the amount of credit applied to invoices or paid by refunds.

1. Open the account that you use to track this customer's payments and invoices.
2. In the invoices/receivables register, select the credit whose payment history you want to see, and then and then double-click the word **--Form--** in the **Category** field.
3. Click **Payment History**.
   Quicken displays the invoices and refunds this credit has been applied to.
4. Click **Done** to return to the credit.

This feature requires **Quicken Business & Personal**. Learn how you can upgrade Quicken in minutes.
