How do I update my contact information?

You can update the contact information, such as your first name, last name, address, city, state, zip, or mobile phone, that is associated with your Quicken account at any time.

Here's how:

1. Choose **Edit** menu > **Preferences**.
2. In the left pane, select **Quicken ID & Cloud Accounts.**
3. In the right pane, under **Quicken Profile**, click **Update Profile**.
4. The My Account page will appear. Select the contact information you want to change:
    - Change Name
    - Change Email/Quicken ID
    - Change Phone
    - Change Address
5. Enter your information and select **Save Changes**.
